### A Creative Life For Everyone

Metro Arts' grant programs fund nonprofit organizations of all sizes and disciplines and project-based grants through funding allocated by the Metro Council. Our grant programs support creative work that addresses one or more of the community outcomes we seek to achieve:

- Stronger Creative Workforce
- Vibrant, Creative Neighborhoods
- Deeper Cultural Participation

We strive to embody practices that ensure that all people can fulfill their rights of cultural expression and belonging, participation, learning, and livelihood within the arts ecosystem. This includes specific commitment to people who have been historically underrepresented in mainstream arts funding, discourse, leadership, and resource allocation, including, but not limited to, people of color, people of all ages, differently-abled people, LGBTQ people, women, veterans, and the socio-economically disadvantaged.

All funding approvals and awards are contingent on the budget allocated to Metro Arts each year. Funding is not guaranteed, and overall funding may vary from year to year.

### About Metro Arts

---

Metro Nashville Arts Commission or "Metro Arts" is the Office of Arts + Culture for the city of Nashville and Davidson County. Metro Arts is a branch of Metro Government that strives to ensure that all Nashvillians have access to a creative life through community investments, artist and organizational training, public art and creative placemaking coordination, and direct programs. We believe that arts drive a more vibrant and equitable community. Metro Nashville Arts Commission was established by Metro Ordinance in 1978.

## Thrive Overview

---

Metro Arts Thrive grants connect artists and/or organizations with the community to create investments, cultural connections, and transformations. Thrive empowers artists and organizations to strengthen and cultivate communities in Davidson County. Thrive supports artist-led, community-based art projects that include collaboration between artists, community residents, community partners, and organizations. This opportunity is open to individual artists, artist collectives or teams, and nonprofit organizations. All proposed projects or programming must take place in Davidson County. Thrive project proposals may request up to \$15,000.

Proposal must directly support the performance, exhibition, instruction, creation, or education in the arts. Art refers to several artistic genres including, but not limited to dance, film and media arts, craft, literary arts, music, performance art, multidisciplinary work, theater, or visual arts.

Successful projects will align with Metro Arts' mission and Thrive goals and objectives by:

- Impacting neighborhoods or communities
- Actively engaging residents through community input in project planning, decision-making and artmaking
- Exhibiting and promoting cultural equity in project design, process, and content

## Applicant Eligibility Criteria

---

Individual artists, artist teams or collectives, and nonprofit organizations are eligible to apply for Thrive grants. Artists are defined as practitioners in a specific artist genre, including but not limited to dance, film and media arts, craft, literary arts, music, performance art, multidisciplinary work, theater, or visual arts. To qualify for a Thrive grant, a proposal must identify a lead artist and/or project lead and meet the criteria for one of the following eligibility groups:

### Individual Artist

- Artist must be 18 years of age or older.
- Artist must live or primarily work in Davidson County.
- Individual artists must apply with a fiscal sponsor (details below).

### Artist Collectives

- Artist Collectives are art organizations or artist teams that do not hold nonprofit 501(c)(3) status.
- Artist Collectives must be based in and conduct the majority of their programming in Nashville/Davidson County.
- Artist Collectives must apply with a fiscal sponsor (details below).

### Nonprofit Organizations

- Organizations must be chartered in the state of Tennessee and tax-exempt under the IRS Code Section 501(c)(3).

- Organizations must submit their IRS Letter of Determination with an effective date of exemption of May 1, 2025, or earlier.
- Must be active and in good standing with the Tennessee Secretary of State’s Business Services Division and Office of Charitable Solicitations, indicating the agency is currently duly registered to solicit public funds in Tennessee.
- Organizations must have a business address located in Davidson County and operate the majority of its programming in Nashville.

Individuals or entities that cannot receive a Metro Arts Thrive grant include:

- Employees of the Metropolitan Government of Nashville and Davidson County, including Metro Nashville Public Schools
- Members of the Metro Nashville Arts Commission or their immediate family and household members
- Elected officials of the Metropolitan Government of Nashville and Davidson County or Metro Nashville Public School Board
- Paid full-time executive-level staff of organizations that received a Metro Arts General Operating Support grant in either of the two previous fiscal years
- Colleges or universities
- “Friends of” organizations, MNPS-affiliated booster clubs, and other organizations whose primary purpose is to support government agencies or initiatives
- Organizations whose primary purpose or activities involve religious practices or intent

Only one Thrive submission per applicant. Lead artists and/or project leads may only be listed on one application. Organizations cannot receive Thrive and Metro Arts General Operating Support grants in the same grant cycle. Organizations may only apply for one grant each cycle.

Metro Arts staff will contact applicants that are determined to have multiple applications. Metro Arts will review additional grant criteria eligibility issues not listed here on a case-by-case basis. Please contact Metro Arts with any questions regarding eligibility or for assistance determining which opportunity is most appropriate for your application.

### **Fiscal Sponsorship**

---

Metro Arts can only distribute grants to nonprofit organizations. Individual artists or artist collectives who are not registered Tennessee 501(c)(3) nonprofit organizations must work with a fiscal sponsor to receive Metro Arts Thrive funding. Metro Arts will not match or assign artists with fiscal sponsors, but applicants may ask Metro Arts for assistance in identifying potential fiscal sponsors. To serve as a fiscal sponsor, an organization must meet the following criteria:

- Be chartered in the state of Tennessee and tax-exempt under the IRS Code Section 501(c)(3).
- Have an IRS Letter of Determination with an effective date of exemption of May 1, 2025, or earlier.

- Be active and in good standing with the Tennessee Secretary of State’s Business Services Division and Office of Charitable Solicitations, indicating the agency is currently duly registered to solicit public funds in Tennessee.

Fiscal sponsors and applicants must complete a Letter of Fiscal Sponsorship and Letter of Agreement that affirms the sponsor’s intent to serve as a sponsor for the specific applicant and project. The Agreement will outline respective roles and responsibilities, including fund disbursement, reporting, and other logistics. A resource guide including these required documents is available on the Metro Arts website.

Metro Arts provides fiscal sponsors \$750 for administrative support costs. This amount will be allocated in addition to the approved grant amount (for example, if the approved project budget is \$15,000, the total grant will be \$15,750). Applicants that hold 501(c)(3) nonprofit status and therefore do not utilize a fiscal sponsor will not receive the administrative support allocation.

Serving as a Fiscal Sponsor for Thrive projects does not disqualify an organization from applying for or receiving a grant from Metro Arts (Operating Support or its own Thrive grant).

### **Proposal Requirements**

---

- Proposal must directly support the performance, exhibition, instruction, creation, or education in/of the arts.
- The proposed project activities and/or program must take place in Davidson County.
- All Thrive projects must obtain all permits, licenses, and permissions necessary for their project and comply with all applicable laws and regulations. The Metropolitan Government of Nashville and Davidson County and any of its entities will not be held accountable for the failure to have these documents when required. Applicants are highly encouraged to research the process for obtaining any permits and regulatory requirements on the front end to effectively plan project timelines and execute the project on the proposed timeline.
- All Thrive projects that propose to work directly with minors (defined as persons under age 18) must have background checks for all adults. The applicant will be required to submit an attestation form that attests that all adults who participate in the programming or instruction of minors have satisfactory background checks within the last 5 years. This includes the lead artist, contract artists, organization staff or others involved in the project work.

### **Ineligible Projects**

Applicants who are unable to attend a live information session can access a pre-recorded video on the Metro Arts website.

### **Preliminary Review Period**

---

All applicants may submit an application by the optional preliminary review deadline. Metro Arts staff will review the application to confirm eligibility. Submitting by the preliminary deadline allows applicants to receive application review, feedback, and time for corrections and revisions before the final deadline. First-time applicants and those who have not received funding in the past are strongly encouraged to take advantage of the preliminary review deadline.

### **Review Process**

---

All grant applications are reviewed for technical eligibility by Metro Arts staff after the final deadline. Applicants that fail technical review for a reason that can be corrected (i.e., an administrative or clerical error) will have a short period to make corrections to their application. Please note that not all reasons for technical denial will be able to be corrected. Applications will be evaluated on a case-by-case basis, and applicants will be contacted by Metro Arts staff as needed. An application may be disqualified **at any** time if an applicant, proposal, or project is deemed ineligible.

Applicants that advance beyond technical review will be evaluated and scored by a community grant review panel.

### **Scoring + Funding Formula**

---

Panelists will use a rubric to evaluate and score each application. Panelist scores will be combined and averaged to determine the final score.

Funding will be allocated based on the panel score and available funding as follows:

- Applications are scored and ranked from highest to lowest.
- Funding is distributed in rank order, starting with the highest-scoring application, until all available funds are used.
- In case of tied scores: If there are not enough remaining funds to support applications with tied scores, two Metro Arts staff members who were not involved in the FY27 grants process will:
  - Conduct a second review of the tied applications.
  - Create a new ranking of these applications.
  - Distribute the remaining funds based on this secondary ranking.

Eligibility and panel review notes are kept electronically by Metro Arts. After grant awards are announced, applicants may contact Metro Arts staff to obtain a copy of scores and comments for their records.

### **Funding Approval**

---

The panelists' scores are reviewed by the Arts Commission Grants Committee and are used to determine which applications are recommended for funding. The Metro Arts Commission reviews all recommended grant awards and is the authorizing body to approve all awards.

All Commissioners and panelists are required to disclose any conflicts of interest prior to reviewing or approving grant allocations. Metro Arts makes every attempt to identify any conflicts. If a conflict of interest is identified among a panelist, the panelist will not score the application nor participate in discussion of the application. If a conflict is identified among a Commissioner, the Commissioner is required to abstain from allocating the applicant's funding or engaging in deliberation of the applicant's award.

### **Award Notification and Management**

---

Grant award notifications will be issued through Submittable, including instructions for accepting the grant. Applicants awarded a grant will be required to submit a final budget upon notification of an award. Grant awards will also be publicly announced via press release and posted on the Metro Arts website.

Applicants denied funding will be directly notified through Submittable. Applicants that are denied may contact Metro Arts for information regarding the denial and additional information.

Metro Arts uses the Submittable platform throughout the lifecycle of the grant, including communications about reporting and other requirements. Grantees are responsible for notifying Metro Arts of any changes in contact information during the grant period.

Metro Arts reserves the right to cancel any grant contract if the project is not administered as proposed in the application and may request the return of all or a portion of the grant funds awarded.

### **Grant Disbursement**

---

Awarded grant funds are distributed in one payment for the full grant amount after the execution of the grant contract. Please note that the contracting and payment process typically takes 4-6 weeks, as the contract and payment approvals require multiple signatures and steps across the Metro government. Payments are processed through a centralized finance department. All applicants that are awarded funds must register with the Metro iSupplier vendor payment system. More information can be found on the ["How To Do Business with Metro"](#) website. Specific instructions will be provided with award notices.

### **Grant Check In Meetings**

---

Metro Arts staff will check in with grant recipients during the grant spending period, as it allows both the recipient and Metro Arts to ensure the work is progressing and to confirm that funds are being used in alignment with the grant's objectives. More information about check-in meetings and requirements will be shared with award announcements.

### **Final Closeout Report**

---

Final closeout reports and all supporting materials must be submitted by July 15, 2027. The final closeout report may include project or program goals, outputs and outcomes, participant reach, jobs supported, and other metrics. A grant expense form and budget narrative are required as part of closeout.

Grantees should maintain financial records that show the use of all grant funds. At Metro Arts' request, grantees may be asked to provide documentation of expenses including, but not limited to, contracts and artist payments, invoices, project expenses, and other related expenses.

### **Logo Usage and Credit Policy**

---

All recipients of Metro Arts funds are required to include the Metro Arts logo on all online or printed publicity materials regarding the program or project funded pursuant to their grant. The credit policy and logo files are available on the [Partner Tools](#) section of the Metro Arts website at [www.metroartsnashville.gov](http://www.metroartsnashville.gov).

### **Maintaining Good Standing**

---

To maintain good standing throughout the grant period, a grantee must:

- Meet all requirements stated in the guidelines and grant contract (including spending grant funds as described in the grant contract).
- Follow the [Metro Arts logo and credit policy](#).
- Submit and complete all required documentation and activities, including but not limited to contracts, check-in meetings, final expense reports, closeout reports, and any other information that Metro Arts may request on or before the deadline.
- Notify Metro Arts of any active criminal or civil litigation, investigations, reviews, or criminal or other misconduct proceedings of or against the grantee during the grant period.

A grantee's subsequent grant application may be denied eligibility if any these requirements are not met. If you have any questions about whether you are in good standing or if you are outside of these requirements, please contact Metro Arts staff.

If a grantee loses its good standing status for any of the reasons above, the grantee will be sent documentation in writing of what requirements have not been met and what steps need to be taken to return to good standing status. If the grantee is not in good standing at the end of a grant cycle, future grant contracts may be held until the identified issues are resolved.

## Auditing Policy

---

As a department of Metro government receiving federal funds, Metro Arts is required to review and audit up to 10% of distributed funds annually. Grantees may be randomly selected to be audited.

If your project is selected, a site visit with Metro Arts staff will be scheduled, at which time you may be asked to provide:

- Year-to-date grant expenditures
- Electronic and printed promotional materials showing Metro Arts logo usage according to the Metro Arts Credit Policy
- Other documentation showing details as required by the Thrive grant guidelines

Metro Arts will provide a detailed list of items that will need to be collected and reviewed prior to the scheduled visit. A written report of the visit will be provided to the organization after the review is complete. Metro Arts staff may report negative findings to the Arts Commission and Metro's Office of Financial Accountability. Unresolved or recurring negative findings may result in a change to the applicant's good standing status.
